ARTICLE II. REQUIREMENTS FOR REVIEW AND APPLICATION

Sec. 18-11. Review Requirements.

1. Standards. The city commission shall grant a special use permit (Section 26-8-5) for an adult oriented business establishment if:
 - (1) The applicant has established that the location of the proposed establishment complies with all of the location restrictions of Section 18-2; and
 - (2) The commission determines that the owner/manager of the establishment shall qualify for a license pursuant to the criteria set forth in Chapter 11, Article III, Business Licenses; and
 - (3) The site plan and sign plan presented by the applicant shall comply with the provisions of this chapter and the zone district in which it is to be located.
2. Waiver of distance limitation. The city commission may, at its discretion, make an exemption from the location or restrictions of Sections 18-2 and 18-4 if it makes the following findings:
 - (1) The location of the proposed sexual adult oriented business will not have a detrimental effect on nearby properties nor be contrary to the public safety or welfare;
 - (2) That the granting of the exemption will not violate the spirit and intent of this chapter of the Code;
 - (3) That the location of the proposed sexually oriented business will not downgrade the property values or quality of life in the adjacent areas or encourage the development of urban light;
 - (4) That the location of the adult oriented business in the area will not be contrary to any existing program of neighborhood conservation or will interfere with any efforts of urban renewal or restoration;
 - (5) That adequate buffering exists to protect neighboring zones;
 - (6) That all other applicable provisions of this section will be observed;
 - (7) In granting a special use permit, the city commission may make such additional conditions to approval of the site plan as it deems appropriate, on a case-by-case basis. 3. Time limitations for acting on special use permit applications. The Community Development Department shall, not later than sixty (60) days from receipt of a completed application for an adult oriented business special use permit forward the same, together with its recommendations, to the city commission for final action. In the event that the Community Development Department has failed to take any action within sixty (60) days from the date of its receipt of a completed application, the application shall be referred to the city

commission for final action without recommendation. Any application forwarded to the city commission shall be acted upon by the commission not more than sixty (60) days following receipt by the commission of the report of the Community Development Department. Final action shall therefore occur within sixty (60) days from the date of receipt by the city of a properly completed adult oriented business special use permit application. The failure of the city commission to either grant or deny the application within such time period shall be deemed to constitute an approval of the adult oriented business special use permit. As used herein, final action shall mean the action of the city commission taken in open session granting or denying an application for an adult oriented business. The fact that the city commission may require additional time to prepare written findings and conclusions shall not operate to extend the time for final action nor shall it be deemed a failure to act within the mandatory period for action.
