

Aztec Adopt –A- Neighbor Application for Help

Aztec Adopt A Neighbor is a volunteer program administered by the City of Aztec Code Compliance Office. This program provides yard maintenance assistance to non compliant City of Aztec residents who: are physically unable to do so themselves; cannot afford to pay for this assistance; or do not already have neighbors, family or friends who can assist them. We do our best to match volunteers with those needing assistance, but cannot guarantee providing a volunteer in every instance. **We will do our best to match people, however, if a match cannot be found, applicants are still responsible for proper yard maintenance.**

Please submit a completed application and signed release to the Code Compliance Office. Contact the Code Compliance Office with any questions. All information provided in your application will become a part of the Public Record. We will attempt to accommodate this request if possible but cannot guarantee it.
