

CITY OF AZTEC
WORKSHOP MEETING MINUTES
January 24, 2017

I. CALL TO ORDER

Mayor Burbridge called the Workshop to order at 5:00 pm at the Aztec City Commission Room, City Hall, 201 W. Chaco, Aztec, NM.

MEMBERS PRESENT: Mayor Sally Burbridge; Mayor Pro-Tem Sipe; Commissioner, Austin Randall; Commissioner, Katee McClure; Commissioner Sheri Rogers

MEMBERS ABSENT: None

OTHERS PRESENT: City Manager Josh Ray; Community Development Director Steven Saavedra; City Attorney Larry Thrower; Project Manager, Ed Kotyk; City Clerk, Karla Sayler

A. Solid Waste Contract

Josh mentioned that the City is currently working to secure our next Solid Waste Contract. The City put out the RFP and received two proposals. City staff selected to move forward with Transit Waste in an effort to develop a new contract for Solid Waste Services. The City requested and Transit Waste provided, pricing for residential, curbside, single stream recycling collection. If Commission decides to opt for curbside recycling there will need to be decisions on what level customers will be required to participate. If recycling is mandatory every customer will pay for the service and the rate per month per customer is \$3.69 which will include one pickup per week.

The following is the proposal for recycling based on customer participation:

100 % Customer Participation	One pickup per week	\$3.69/month
50% Customer Participation	One pickup per week	\$4.50/month
30% Customer Participation	One pickup per week	\$5.50/month

Josh mentioned that the City currently operates a recycling facility adjacent to the Parks and Recreation yard on Ash St. If Commission chooses to mandate 100% participation with curbside recycling, then we will remove the recycling facility. If recycling is not an option a single stream recycling container would be placed at the Parks and Recreation yard and would also have a roll off dumpster that can be utilized.

Steve McCaffrey, Transit Waste spoke about the benefits of recycling and gave an overview of the way the recycling program would work. Steve mentioned that they would do the advertising for getting word out to the public. Josh mentioned that there will be another

workshop on this and at that time citizens can come in at voice their opinions whether for or against the program.
