XIII. CITY MANAGER/COMMISSIONERS/ATTORNEY REPORTS

City Manager Steve Mueller thanked everyone who turned out tonight for their input.

Commissioner Randall mentioned that he has a Library board meeting tomorrow and he will not be able to attend LTAB. He thanked everyone for attending and mentioned that it was good to see people passionate about something it's just unfortunate that we have to have controversy to pack the Commission Room. He also mentioned that he has great respect for Chief Heal.

Commissioner Sipe also met with Randy Hodge on the Golf Course and she commends him for his efforts to keep it open. She has an MPO meeting tomorrow for the amendment on the arterial, and an EDAB meeting next Thursday.

Mayor Pro-Tem Fry mentioned that she was honored to attend the Mayors Ball, she thanked Chief Heal for his commitment to the Citizens of Aztec. She thanked Randy Hodge for meeting with her and she supports his efforts to make the course non-profit.

Commissioner Lewis attended the San Juan Water Commission last week. He was unable to attend the San Juan County Commission Meeting. He also supports Chief Heal.

Mayor Snover mentioned that he attended the Mayors Ball and he had a great time. He went to Washington DC last week and had a chance to meet with some of the delegates and he feels it is important to make these connections. It seems that folks don't always attend the commission meetings but tonight we got to see democracy at its finest no matter what side of the issue people are on, the people's voices were heard and it's important to have civil discourse. He gave a special thanks to Chief Heal and mentioned that his intent from this was to support our Chief who has been there from the beginning working to help keep people safe.
