A. FY 2020 Youth Conservation Corps.

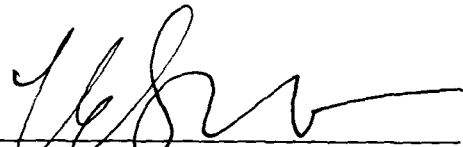

Jeff Blackburn explained how the current YCC project at Riverside was going. Ed Kotyk explained that the project for 2020 was cut down some because of budget. Next year's project will be in Minium Park doing some work around the splash pad area and parking lot. He explained that he and Jeff will work up another 5 year plan this fall. Ed mentioned that he is looking into different ideas for shading.

Two areas have been looked at for a dog park, the space we have at Tiger and also an area behind the Animal Shelter. It was brought up by Mayor Pro-Tem if YCC can be used to help elderly people with their yards? Kris Farmer mentioned that they can't do that because it benefits just one person instead of the community. North Main can be something to look at in the future. The YCC will be on the next Commission Agenda so that we can get it submitted in time.
