I. CALL TO ORDER

Mayor Snover called the Workshop to order at 5:30 pm at the Aztec City Commission Room, City Hall, 201 W. Chaco, Aztec, NM.

MEMBERS PRESENT: Mayor Victor Snover; Mayor Pro-Tem Fry; Commissioner Sherri Sipe; Commissioner, Mark Lewis; Commissioner Randall

MEMBERS ABSENT: NONE

OTHERS PRESENT: City Manager Steve Mueller; Finance Director Kathy Lamb; Project Manager Ed Kotyk; City Clerk Karla Sayler

A. Solid Waste Services

City Manager Steve Mueller explained that we will be looking at the CPI adjustments that Waste Management submitted. Finance Director Kathy Lamb put together figures on how much everything will cost. The request is based on the CPI and the additional request because San Juan County has also raised their fees, this is a normal request under the contract. Part of the calculation includes the CPI and the rate schedule of the fees that would be charged to the City for various services (trash, curb side recycling, and debris roll off, recycling bin at convenience center and sludge hauling). The CPI increase is standard and will be effective March 1st. Staff mentioned that they will be seeking Commission direction on the recycling center. Staff mentioned that annually we pay \$25,000 for the debris roll-off and \$23,000 for the recycle bin. At one of the last workshops Commission mentioned that with getting curb side recycling there might not be a need for the recycle center to stay open. Jeff Blackburn mentioned that they have had signage in place at the center for 6 months just to start making people aware of the potential closure. Delain has also sent out flyers to all customers.
