A. Revised Purchase Power Agreement with Guzman Energy

City Manager Steve Mueller opened the workshop then turned it over to Electric Director Ken George. Ken George mentioned that they have finally gotten the updated contract with Guzman Energy. Ken George introduced Jeffrey Heit and Mustafa Ostrander. Ken explained that with this revised amended contract we will be buying energy for the next 10 years at a cheaper rate. Jeff mentioned that Aztec was their first Energy Agreement. He mentioned that they wanted to extend the contract because they would be able to extend it at a lower price from \$44.50 to \$42.25 because they are procuring for less and they are passing savings along to consumers. Mayor Snover mentioned that this seems to have been a good partnership from the beginning and is getting better. In the last agreement with PNM we were paying 8 cents a kilowatt hour and with Guzman we are paying 2.5 cents a kilowatt hours.
