

General Services & Senior Center Major Projects

Senior Center HVAC Replacement (#12)

Three of the HVAC units are on the verge of failure. Replace two units on south roof & one unit on north roof.

Senior Center Upgrades & Renovations (#13)

The Senior Center has acquired two hot/cold food delivery trucks for home deliveries. This project is done.

State GO Bond Renovations (#14)

The following renovations are being done through the grant monies awarded in the most recent GO Bonds being issued by the NM State as approved by voters in 2020:

- Replacement of the remaining HVAC units.
- Upgrade and expand kitchen and serving area, modify exterior receiving dock for safety and convenience, and upgrade self serve beverage bar.
- Replace tile flooring in main area, north and south foray areas.
