A. Waste Services at City Parks - Charles Dobey

General Services Director Charles Dobey addressed the issues with the dumpsters in the parks. He reviewed with Commission three options that his team came up with;

- Leave dumpsters and install lock bars on them.
- Remove dumpsters and tear down enclosures, install signage, send a mailer and post on social media informing customers that there will no longer be dumpsters in the parks.
- Leave dumpsters and install cameras and signs about consequences for illegal dumping.

There was further discussion including such things as cameras, locking dumpsters, locked gates at night, a Parks Ranger, information in utility bills, law enforcement involvement and changes to City Code. The consensus was to come back with more information and working toward a solution.

Mayor Padilla also asked Charles to investigate the cost to reopen the Recycle Center at General Services.
